Leeds at heart.

A small amount of money can go a long way...

Before Ethel attended an older people's exercise group, she was wheelchair bound. Six months later, she was able to walk into a room unaided because of the confidence she gained from the group, which LCF funded with a grant of £2,500.

Help us support the people of Leeds. Join the 100 Club.

The 100 Club is a patronage scheme run by Leeds Community Foundation for individuals and businesses who, like us, are motivated to make a difference in Leeds. For an annual donation of £1,000, the 100 Club enables you to demonstrate your commitment to Leeds.

EVENTS

100 Club members meet once a quarter at different venues throughout the city. The events enable you to...

- learn about the particular challenges that Leeds faces, as well as the initiatives which address them
- hear directly from the community groups LCF supports and the important work they are doing
- network with like-minded individuals

THE ROLE YOU PLAY

The support and contribution of our 100 Club members is fundamental in ensuring we are able to continue our vital work. Members...

- enable us to keep our overall administration costs very low, which means that more money goes out in grants to the community
- act as ambassadors for the Foundation by helping to spread the word and connect us with people who want to make a difference

KEEPING ABREAST OF COMMUNITY NEWS

We keep our members informed of the work we do by issuing...

- quarterly newsletters to keep you up to date with 100 Club news and events and what's happening at the Foundation
- details of other events that may be of interest to members

ABOUT LCF

We raise income through the generosity of 100 club members and other supporters in Leeds and use this to make grants to community groups and charities working at the frontline of our city.

Our goal is to create a healthier, happier Leeds, where hardship and inequality are words of the past, and where grassroots projects can flourish.

“The ability to meet with other people who, like you, want to put something back, is refreshing and inspiring and we always come away from 100 Club events having learnt something new, and having met some really interesting people.”

Daniel Gill

Managing Director, Dine

“If we are ever to narrow the gap between successful individuals & companies and seriously deprived communities, we need to work together to make a difference. By becoming a member of the 100 Club, you can not only gain a real understanding of the scale and nature of the need, but also genuinely contribute to a lasting solution.”
