

Leeds Community Foundation was approached by a private donor, who wishes to remain anonymous, looking to support young people in Bradford. This fund was interested in groups who already engage young people to support positive behaviour and encourage them to undertake activities that will have a positive impact on their community.

The following groups were awarded a grant:

- Bangladeshi Community Association Bradford
- Braford PHAB
- Friends of Bowling Park
- Joint Activities & Motor Education Service (J.A.M.E.S)
- Kidz Klub Allerton
- Shine
- The Thornbury centre
