

Leeds Community Foundation was approached by a private donor, who wishes to remain anonymous, looking to support young people in Bradford. This fund was interested in groups who engage young people to support positive behaviour and encourage them to undertake activities that will have a positive impact on their community.

The following groups were awarded a grant in 2016:

- e:merge (Bradford)
- Highfield Food Coop
- Kidz Klub Allerton
- Prism Youth Project
- West Bowling Youth Initiative
