

The BME dementia small grants fund was established with NHS Leeds Clinical Commissioning Groups & Leeds City Council to help third-sector groups develop ways of working with individuals from a BME background who have dementia. The funds supported a range of community-based projects that respond to the findings of a local event held in November 2014, and the publication of a report on the event in 2015.

This fund has offered support to the following:

- Al-Khidmat Centre
- Black Health Initiative
- Hamara Healthy Living Centre
- Leeds Chinese Women's Group
- Leeds GATE
- Leeds Irish Health and Homes
- New Testament Church of God
- Touchstone
