

WINTER WELLBEING COMMUNITY GRANTS SCHEME

The **Winter Wellbeing Community Grants Scheme**, with generous support from Leeds City Council Public Health, supports a range of community-based projects that target helping vulnerable people in Leeds who are most susceptible to the adverse effects of cold weather.

Projects funded address social isolation, increase resilience and help reduce the levels of illness (and deaths) due to vulnerable people living in cold housing.

This fund has offered support to the following in 2014:

- Advocacy Support
- Al-Khidmat Centre
- Association of Blind Asians
