

Leeds Community Foundation are delighted to be working with Northern Gas Networks to deliver their Community Promises Fund across large parts of Northern England. Grants of between £1,000 and £10,000 were awarded to support innovative projects working with vulnerable people to address any of the following: fuel poverty; carbon monoxide poisoning; energy efficiency; energy related environmental initiatives; engagement and employability in STEM fields (Science, Technology, Engineering and Mathematics).

Grants were awarded to the following:

- 2168 Yeadon Air Cadets
- Bradford Community Broadcasting
- Dial (Leeds) Limited
- Fusion Housing Kirklees Limited
- Highfield Food Co-op
- North Halifax Partnership
- Syrian Community of Leeds
- The City of Hull & Humber Environment Forum
- The Dominic Rodgers Trust
- Woodhouse Close Church Community Centre
- Yorkshire Energy Doctor CIC
