

In 2011, St Chad's Parish Church, Far Headingley set up a special Endowment Fund with the Leeds Community Foundation, which benefited from match funding under a government scheme called Grassroots Grants. We are now able to distribute the income from this Fund, in the form of small grants, to local community projects. Funding is awarded to groups working in the St Chad's Parish, especially those addressing isolation, the local environment and intergenerational work.

Below is a list of groups who were funded in 2015:

- Headingley Development Trust (Apple Day group)
- Headingley Festival of Ideas
- Headingley Litfest - part of Headingley Network umbrella group
- Older Wiser Local Seniors (OWLS)
- Sensory Leeds CIC
- Stitch Up CIC
- Supporting The Elderly People - STEP
- Syrian Community of Leeds
- The Leeds Music Hub
- Wild Goose Wellbeing CIC
