

In 2011, St Chad's Parish Church, Far Headingley set up a special Endowment Fund with the Leeds Community Foundation, which benefited from match funding under a government scheme called Grassroots Grants. We are now able to distribute the income from this Fund, in the form of small grants, to local community projects. Funding is awarded to groups working in the St Chad's Parish, especially those addressing isolation, the local environment and intergenerational work.

Below is a list of groups who were funded in 2016:

- Friends of Beckett's Park
- Headingley Litfest
- Hollin Lane Allotment Association
- Northern Opera Group
- Purple Patch Arts
- Sanskar (Ethos)
- Sparrow Park
- Stitch Up CIC
- Supporting The Elderly People - STEP
- Syrian Community of Leeds
