

In 2011, St Chad's Parish Church, Far Headingley set up a special Endowment Fund with the Leeds Community Foundation, which benefited from match funding under a government scheme called Grassroots Grants. We are now able to distribute the income from this Fund, in the form of small grants, to local community projects.

Below is a list of groups who were funded in 2014:

- Eastern Media and Arts Network
- Headingley Community Orchard
- Headingley Litfest
- Hollin Lane Allotment Association
- Pavilion
- Sensory Leeds
- The Leeds Music Hub
- Woodhouse Ridge Action Group
