

VICTORIA GATE FUND

Hammerson, the company responsible for developing the new Victoria Gate site in Leeds, launched a new Community Grants Fund with the Leeds Community Foundation.

The focus of the Victoria Gate Fund is on organisations working with young people between the ages of 12 and 18 to support them in terms of employability. This might be by developing specific skills through the provision of training and/or equipment, activities that help develop positive attitudes towards work and projects that help engage them in enterprising activities learning about product development, marketing and sales.

This fund has offered support to the following in 2014:

- G-Tech Youth Code
- Hunslet Club
- Involve
- Solutions for the Planet
- St Luke's Cares
