

In 2011, St Chad's Parish Church, Far Headingley set up a special Endowment Fund with the Leeds Community Foundation, which benefited from match funding under a government scheme called Grassroots Grants. We are now able to distribute the income from this Fund, in the form of small grants, to local community projects. Below is a list of groups who were funded in 2012:

- Leeds Faith in Schools
- Older Wiser Local Seniors (OWLS)
- Headingley Community Orchard
- Behind Closed Doors
