

In 2011, St Chad's Parish Church in Far Headingley set up a special Endowment Fund with Leeds Community Foundation, which benefited from match funding under a government scheme called Grassroots Grants. We are now able to distribute the income from this fund every year, in the form of small grants, to local community projects. Funding is awarded to groups working in the St Chad's Parish, especially those addressing isolation, the local environment and intergenerational work.

The following organisations were awarded funding in 2017:

- Annapurna Organisation
- DAMASQ
- Friends of Beckett's Park
- Headingley Litfest
- Help 4 Victims of Intimate Violence
- Leeds Chinese Community Association
- Pavilion
- Purple Patch Arts
- St Chad's Lunch Club
- Yorkshire Cricket Foundation
