

Promotion Toolkit

Henry Smith Charity Fund

1. Promoting your grant

We're incredibly proud of the grants we make and the work we do together.

Leeds Community Foundation needs your help to raise the profile of our grants so we can ensure we can continue to raise money and support local community projects like yours.

We ask all the organisations we fund to use our logo to promote their funded projects.

We've listed a few guidelines below to help you use it correctly.

2. The Henry Smith Charity Fund Logo

The Henry Smith logo must always be used in conjunction with the main LCF logo and is positioned to the right.
